D-A COARSE

HIGH PERFORMANCE CUT POLISHING COMPOUND

FORMULATED AND PRODUCED BY RUPES IN ITALY

The latest high-performance compound from RUPES is designed for maximum efficiency. This fast cutting compound is ideal for users who want quick defect removal and smooth user experience on every type of paint. The formulation is optimized to achieve the best performance if used with RUPES Coarse blue foam or wool pads together with BigFoot Dual Action Orbital Polishers, including both random orbital and gear-driven tools. It represents a significant improvement in terms of cutting performance and finishing with low dusting and easy wipe off.

FEATURES AND BENEFITS

- Improved cutting performance
- Durable lubrication system for extended polishing cycle and longer working time
- Low dusting formula reduces post-compound cleanup work
- One-step moderate-to-severe defect removal and finishing on most paints
- Sanding mark and severe defect removal
- Better user experience
- Recommended for random orbital or gear-driven polishers
